[G] [Em]

[G] Last night I took a walk in the dark
[Em] Out to a place called Palisades Park
[C] To have some fun and see what I could [D] see
[D7] That's where the girls are

[G] I took a ride on a shoot-de-shoot
[Em] The girl I sat beside was awful cute
[C] And when it stopped she was holdin' hands with [D] me
[D7] My heart was flyin'

[C] Up like a rocket ship
[Em] Down like a roller coaster
[C] Back like a loopy-loop
And [D] a-roundlike a merry-go-round.

[G] We even ate at a hot dog stand
[Em] We danced around to a rockin' band
[C] And when I could I gave that girl a [D] hug
In the [D7] tunnel of love now

[C] You'll never know how great a kiss can be
when you're [Em] stopped at the top of the Ferris wheel
When I [C] fell in love
[D] down at Palisades [G] Park

[G] We even ate at a hot dog stand
[Em] We danced around to a rockin' band
[C] And when I could I gave that girl a [D] hug
In the [D7] tunnel of love now

[C] You'll never know how great a kiss can be
when you're [Em] stopped at the top of the Ferris wheel
When I [C] fell in love
[D] down at Palisades [G] Park

fading

[D] Down at Palisades [G] Park
[D] You know it's Palisades [G] Park
[D] Down at Palisades [G] Park
