

# Halloween Ghosts

(To The Tune of "Home on the Range")

① Oh, find me a ghost  
Who will scare us the most  
Whenever he yells out "boo!"  
If I hear not a shriek,  
Then I know I must seek,  
Someone who is not a geek!

Chorus: Ghosts, Halloween ghosts,  
They're supposed to scare us each year!  
If they say "boo" in a soft little voice,  
Then I know we need a better choice!

② I don't want Casper the friendly ghost,  
He won't scare me the most.  
I want a real fright  
On Halloween night,  
So find me someone  
Who isn't such fun!

Chorus: Ghosts, Halloween ghosts,  
They're supposed to scare us each year!  
If they say "boo" in a soft little voice,  
Then I know we need a better choice!
