From a [C] distance, the [F] world looks [G] blue and [C] green
And the [F] snow capped [G] mountains [C] white [G] [C]
From a [C] distance, the [F] ocean [G] meets the [C] stream
[C] And the [F] eagle [G] takes to [C] flight [G]

[C] From a [~~Fmaj7~~] distance, [G] there [Am] is harmony
And it [F] echoes [C] through the [G] land [G]
It's the [F] voice of [C] hope, it's the [F] voice of [C] peace
It's the [F] voice of [G] every [C] man [G] [F] [C] [F] [C] [G]

[G] From a [C] distance, we [F] all [G] have [C] enough
And [F] no one [G] is in [C] need [G] [C]
There [C] are no [F] guns, no [G] bombs, no dis[C]ease,
[C] No [F] hungry [G] mouths to [C] feed
[C] From a [~~Fmaj7~~] distance, [G] we are [Am] instruments
Marching [F] in a [C] common [G] band [G]
Playing [F] songs of [C] hope, playing [F] songs of [C] peace
They're the [F] songs of [G] every [C] man [G] [F]

[C] God is [F] watching [G] us, God is watch[C]ing [Am] us,
[Am7] God is [Dm7] watching [F] us, [G] from a [C] distance

[G] From a [C] distance, [F] you look [G] like my [C] friend
Even [F] though we [G] are [C] at war [G] [C]
From a [C] distance, I [F] cannot [G] comp[C]rehend
[C] What [F] all this [G] fighting is [C] for
[C] From a [~~Fmaj7~~] distance, [G] there [Am] is harmony
And it [F] echoes [C] through the [G] land [G]
It's the [F] hope of [C] hopes, it's the [F] love of [C] loves,
It's the [F] heart of [G] every [Am] man

[G] It's the [F] hope of [C] hopes, it's the [F] love of [C] loves,
It's the [F] heart of [G] every [C] man.

[C] God is [F] watching [G] us, God is watch[C]ing [Am] us,
[Am7] God is [Dm7] watching [F] us, [G] from a [C] distance

[C] God is [F] watching [G] us, God is watch[C]ing [Am] us,
[Am7] God is [Dm7] watching [F] us, [G] from a [C] distance
